

Manufacturing Experience that Matters

Prophix combines operational planning with financial planning to give you a window into how operating decisions will influence your cash flow.

Keep profitability, revenue, supply, and production in sync with our unified platform.

Customers

“I used Prophix at my previous company, and I was hired at Spacesaver because I had some ideas for making a big impact on the organization. We altered the budget cycle, we got reports to people in better ways, changing the way people look at finance.”

Steve Anderson
Vice President of Finance
Spacesaver Corporation

Focus On What Really Matters

Your business is evolving. And the way you plan your business activities and report on them should evolve too. To empower mid-market companies to achieve their goals, Prophix provides an integrated, cloud-based services' platform to the Office of Finance; one that delivers planning, budgeting, reporting, forecasting as well as consolidation and reconciliation solutions. Prophix puts the focus back on what matters most – uncovering business opportunities – to ensure your future, using AI-guided innovation that adapts to meet your strategic realities, today and tomorrow.
