- ✓ Create an Online Budget Book
- ✓ Easily Meet GFOA Award Criteria

The Building Blocks of Your Modernized Budget

A suite of cloud-based modules purpose-built to improve efficiency, increase transparency, and bring new value to communities. Implement the modules you need for a tailored solution.

Core Budgeting Framework

Plan, build and manage your budget with budget modules designed for the public sector.

Personnel

Accurately model and forecast costs to simplify workforce budgeting.

Operating

Empower teams with streamlined processes and collaborative tools.

Capital

Effortlessly prioritize, strategize, and share capital projects.

Harness Your Budgeting Potential

Be strategic while engaging with stakeholders using modules designed to amplify the impact within your community.

Strategic Budgeting

Align financial resources with goals to drive focused and forward-thinking decision making.

Performance

Set organizational objectives, track progress, and achieve internal goals.

Transparency

Build and share the financial story with a GFOA award-winning budget book.

"Euna Budget has streamlined and simplified our budgeting and reporting processes. They were responsive to our needs during implementation, and more importantly, continue to provide excellent customer service after the project ended."
